Activities for the Government of the Republic of Liberia for the six month period ending 10/31/10.

General

Under the terms of the contract with the Government of the Republic of Liberia and in exercise of the relevant statutory provisions, LISCR, LLC collects taxes and fees due to the Government in respect of the tonnage tax, maritime and corporate programs of the Government and disburses those receipts either to the Government or for the purposes provided under the legislation.

Collection of Tonnage and Corporate Tax

Annual tonnage tax calculated on the weight of the ship registered with the Liberian Registry and corporate tax and fees in the form of annual registration tax, capitalization tax and document fees for the corporations are collected in accordance with statutory timetables and as paid by users of the program services and remitted monthly to the Government.

Collection of Fees By the Office of the Deputy Commissioner (the DCO)

A variety of fees are charged to vessel owners and operators over the course of the period, for services rendered, as defined in the Combined Publications Folder RLM-300. Collections of the subject fees are used to fund the operating expenses (including the Agent's Fee) and capital expenditures of the Registry. Excess working capital accumulated within the DCO, if any, is distributed to the Government, usually once a year.

Collection of MIIPS

A fee (MIIPS) levied per ship is collected, and disbursed, in accordance with statutory provisions to international bodies (the International Maritime [IMO] and the International Labor [ILO] Organizations of the United Nations) in payment of Government dues, to the investigation of incidents involving Liberian ships which the Government is bound by international treaty to investigate, and to the Government in the form of the payment to the DCFA, to finance those offices of the Government out of Liberia which are dedicated to the operation of the maritime program (in the USA and in the UK, as the Permanent Mission to the IMO).
